MAN SHOOTS BRIDE, SELF ON SKYLINE

Both dead of bullet wounds, the bodies of Juan B. Martinez, 48, San Francisco hairdresser with a studio at 210 Post street, and his recent bride, the former Miss Pauline E. Clift, 3044 Jackson street, San Francisco, were found huddled in an automobile near the northerly San Mateo county line at 10 o'clock yesterday morning.

Martinez, who married Miss Clift in Oregon on March 13, is said to have been drinking, and is reported to have threatened his wife The sheriff's office is working on the theory that Martinez shot her twice through the head while she was seated on the right side of the front seat. He was seated on the back seat. When found, he had a bullet wound in the head and another through the heart.

The newlyweds are thought to have quarreled, and Martinez is then believed to have turned the gun on his wife. He then shot himself to death, and the gun was found clasped in his hand when the bodies were found.

The car, a sedan, was driven south on the Skyline boulevard to a distance of about one mile. It was driven up a stiff incline for about 50 feet, and the rear shade was drawn. The back of the car was to the road. Here, away from the road, they are believed to have engaged in a violent quarrel. Martinez, it is thought, determined that he would kill himself and wife if they did not patch their differences, and seated himself in the back seat so that his wife could not frustrate his attempts to shoot her.

A passing motorist was attracted to the car. Others then stopped and finally a San Francisco fireman named Sullivan came along "Get some cops quick," he was told. Without stopping to learn what had happened, Sullivan rushed to the nearest telephone notifying San Francisco police They in turn called Sheriff James J. McGrath, who dispatched Undersheriff Lawrence Nieri and Deputy Sheriff Leland Quinlan to the scene.

The bodies were claimed by them and Deputy Coroner Luella Pepper of Daly City. Constable S. A Landini, Colma, and Sheriff McGrath also went to the scene.

Until a few days ago, it was learned, the couple had lived at 165 Shakespeare street, Daly City They then moved to 2665 Chestnut street, San Francisco.

RECORD MADE FOR COUNTY MILK TEST

The highest score ever made by the San Mateo county milk supply was attained in a surprise milk scoring contest just conducted by the state department of agriculture co-operating with the San Mateo County Health Department. D. A. Cordray, state milk specialist, commended Dr. F. Holmes Smith, health officer and J. J Garland, dairy inspector, for the excellent average score of 96.4 per cent made by the milk sold under their supervision.

Samples are regularly collected by the county dairy inspector and analyzed for bacteria, milk fat and solids not fat. The average of these tests since last October, together with scores for flavor and sediment made by the state milk specialist were used in computing the score for each distributor. The average of these scores on a volume basis is the 96.4 per cent which is credited to the county supply. The high average score indicates that wholesome, high quality milk is available to local consumers.

COTTRELL CONFERS WITH FREEHOLDERS

At the regular weekly meeting of the county freeholders in the courthouse Wednesday, Prof. E. A. Cottrell, head of the department of political science at Stanford University, conferred with the members on details of the charter which they are writing.

The governmental expert reiterated previous admonitions to keep the charter as concise and simple as possible. He discussed with committee chairmen, in open session, phases of their respective tasks, and with the entire board went over the details of a skeleton charter.

Next week the reports of committees will be taken up by the freeholders.

Chairman James B. Howell presided.

Widening Of La Honda Road In Sight; Rights Of Way Ordered

Long awaited work on the La Honda road widening project is in prospect within the next two years.

The San Mateo county supervisors today instructed County Surveyor James S. James to proceed with the securing of the rights of way, which will be held in escrow. James was reluctant to do this unless a time for start of the work was set.

"Boyish Play" Charged

Supervisor John W. Poole, Redwood City, desirous of having the work begin, charged his colleagues with "boyish play" in refusing to "work as a unit for the county's best interests." He was referring to the failure this past year of the La Honda road project winning a four-fifths vote of the board because of difference of the members. Supervisors Brown and Manuel Francis were with Poole on the project, but Dr. C. V. Thompson and Supervisor Hickey withheld their votes.

May Settle Differences

Unable to get four votes, the board included the $25,000 La Honda expense as a "special" item in the last budget. That is the reason for the suit now in progress to throw out this expense as illegally levied. No work has started on the road as a result, but it is expected that the board's differences will be patched up in time to begin work within one or two years.

James said he found 87 per cent of the property owners ready to supply the rights-of-way for the 100 feet requested.

HUNDREDS ATTEND CAMP DEDICATION IN MEMORIAL PARK

Five hundred people were present Sunday at Camp Yu-Mi-Ci-A, boys' camp of the Young Men's Christian Association, in the San Mateo County Memorial Park, at the dedication of the new dining hall and lodge and leaders' recognition service. Three hundred of these were served at the first meal in this building.

Leaders of boys' clubs who have served three, five, seven or nine years were given special recognition for the service they are rendering.

Merle Scott, former general secretary of the Y.M.C.A. in Honolulu, told of the accomplishments that leaders are making toward internationalism through their clubs and through service in the international camps.

Fred M. Hansen of Palo Alto, the regional secretary of the Y. M. C. A., had a prominent part in the program. Eleven leaders of the peninsula were given recognitions. These included Oscar Olson, George White, Max Thornton and C. J. Whitley for three years of service; Andrew Spinas, Horace Keeler, R. B. Davis, R. B. Dow, Fred Helms, and Richard Cannon for five years of service. Music was furnished by the Burlingame Hi-Y Orchestra.

Gyro Lodge and dining hall were made possible through the generosity of the Gyro Service Club of San Francisco. W. H. Eddy, chairman of the Camp Yu-Mi-Ci-A committee, was in charge of the preliminary program. George E. Honn, president of the Gyro Club, officiated. Herman Weinberger told of the club's desire to do something concrete toward developing character values in boys. A bronze tablet designed by a member of the club was presented. The building is enclosed so that it can be used at other times in addition to the camp periods. It is 36 by 75 feet and will accommodate two hundred boys at one sitting. It contains a large kitchen and a store room for food.

'QUAKE VICTIM KIN OF OFFICER'S WIFE

Mrs. Walter McCutcheon, the only casualty in Monday's earthquake in Eureka, was a sister-in-law of Mrs. Herman G. Fleishman, 130 Rogers street, it was learned today. Mr. McCutcheon, her brother, incurred a broken leg.

Police Officer and Mrs. Fleishman left immediately for Eureka, arriving there on Tuesday, according to a telegram sent Police Chief C. L. Collins. Services for Srs. McCutcheon were held Wednesday.

INQUEST HELD IN HIT-RUN DEATH

A verdict of accidental death was returned by a coroner's jury Wednesday afternoon in the inquest at the Roller and Hapgood Chapel here into the death of Mrs. Mary Atilano, Atherton woman, who was killed Saturday night when struck by a hit-run automobile on the highway at Menlo Park.

Lloyd Lam, Palo Alto youth, who was arrested as the hit-run driver and is declared to have confessed, refused to testify at the inquest. He is now in jail at Redwood City charged with manslaughter, hit-run driving and drunken driving.

MILLS FIELD GETS BACKING FOR MAIL TERMINAL BY CLUBS

Mills Field would be made the western terminus of the airmail if the campaign opened today by the Civic League of Improvements Clubs of San Francisco, in which the support of the San Mateo county supervisors Monday was voted, is successful.

San Francisco and peninsula cities, it was pointed out, supply 85 per cent of the airmail going east.

This mail is delayed two hours getting from the San Francisco postoffice to the remote Eastbay airport.

Besides this delay, planes are often fogbound in the bay area, while from the peninsula airport more frequent service can be assured, the Civic League declares.

Copies of the resolution of the San Mateo county board will be forwarded to Congressman Arthur M. Free, with a request that he lend his support to the plans to bring the airmail to the peninsula field.

MRS. BENTHAM DIES IN WOODSIDE GLENS

The death of Mrs. Elizabeth Bentham, widow of the late Harry Bentham, occurred Sunday at the home of a daughter, Mrs. Arthur Cleaveland, in Woodside Glens. She was also the mother of Mrs. Lillian Bareilles, Mrs. Anne Allen, Mrs. Sarah Davis, the late Gertrude Neurrier; a son, William S. Bentham; was the grandmother of Harry Donahue and Harold Bareilles, and the great-grandmother of two great-grandchildren. She had lived in Woodside for the past six years. She was a native of Selma, Ala.

Exactly one week preceding her death, her brother, the late William Kelley, passed away at his home in Texas.

S. S. F. DOG TRACK GETS 5-YR. PERMIT

SOUTH SAN FRANCISCO, June 7.—Permission to operate a dog track within the city limits for a period of five years was granted by the city council last night to Richard E. Stickle, South San Francisco contractor.

Preliminary construction work on the project, located on a 75-acre tract near the highway and street car line, has already started.

The new greyhound course will be ready for racing in the fall.

COUNTY FOREST FIRE LOSS PUT AT OVER $7000

San Mateo county had 50 forest fires last year which burned over 4923 acres and did $7471 worth of damage, Almon E. Roth, regional director of the California State Chamber of Commerce, reported to the board of supervisors this week.

Roth is seeking the co-operation of the county board in taking steps to curb the fire hazards of the present season. The supervisors invited him or a member of the state organization to address them on the subject at an early meeting.

Poland has 1000 tanning establishments, producing nearly 40,000,000 pounds of leather last year.

LAND OWNERS ORGANIZE TO GET TAX CUT

Land owners interested in seeing an immediate and permanent cut of the tax burden Wednesday night organized and made active the property owners' division of the Redwood City District Real Estate Board, electing T. J. Hallinan, local title company manager, as chairman. Prentiss Andrews was selected as secretary.

This action followed talks by Donzel Stoney, chairman of the tax committee of the property owners' division of the San Francisco board, and Leslie Burke, secretary of the San Francisco realty board, who warned attending property owners to organize "because it is your problem."

Emmett Donnelly, who presided, and Julius Smith, local realtors, and Hallinan, after his selection as chairman, gave stirring talks on the absolute necessity of cutting the tax rates to save the homes.

Stoney spoke on the proposed initiative measure for shifting the burden of school costs from the counties to the state. He said there was evidence in this measure that the teachers' lobby was preparing to make new raids on the taxpayer, and said the measure was one which did not have the sympathy of the mass of teachers.

Educational costs jumped from 18 millions in 1904 to 180 millions in 1930, and will cost 200 millions in 1931-32, Stoney said. This, he declared, was all out of proportion to the increase in school enrollment. Teachers' colleges, he said, were turning out three times as many teachers as the schools can ever use.

Danger was seen by Stoney in this sudden shifting of the $45,000,000 burden, formerly carried by the counties, to the shoulders of the state. The state this year faces a $10,000,000 deficit, he said, and no new burdens should be forced upon it except as new sources of revenue can be found —if the state is to be kept out of bankruptcy.

He said there were no feathers left on the income tax goose by Congress in referring to the proposal of the initiative measure that the state levy an income tax to help raise the school moneys. Shifting of the tax from real estate to the state meant that the burden would come back to the realty men in the form of income or sales taxes, Stoney believes.

It is not in finding new sources of revenue but in obtaining limitation of expenses, particularly by the schools, that the hope of tax reduction lies, he said.

Smith, speaking on the local situation, said the taxes levied here ran from 18 to 30 per cent of the income on fully leased business property, and from 20 to 40 per cent on the gross income of homes.

Economies must be had, he said, and this will probably mean less service from the municipality, with cuts in municipal salaries. He believes a start should be made on the city manager's salary, saying that San Diego, a city of 150,000, offered only $10,000 yearly, while Redwood City, with 9000 population, is paying half that much.

Smith cited assessed values to show that Redwood City's values were double those of Monterey, Ventura, San Luis Obispo and other cities of this size.

He declared the 15 cent cut in taxes proposed for Redwood City in the 1932-33 budget is not enough. Smith, reading from the 1932 budget, said the statement is made that an item of $47,000 is

APPEARANCE OF UNION CEMETERY TO BE IMPROVED

The city council Monday night agreed that something should be done to improve the appearance of Union Cemetery on Woodside road.

Councilman Beeger brought up the matter, which is one that has been "hanging fire" for years, owing to the uncertainty of ownership of the burial ground.

Ownership rests with the state, but the state would like to be relieved of the responsibility, it was said. Anyway, regardless of who owns the cemetery, the city council thinks it is high time to improve it, and to hire the unemployed for that purpose.

City Manager Rolison said the matter would be taken up with the city's unemployment committee.

James B. Rixen complained of crowing roosters and cooing pigeons which disturbed his rest early in the morning.

Councilman Robert N. Jones thought there were too many chickens kept on some of the small lots in the South Redwood district.

Ordinance No. 336, prohibiting nurseries, laundries and other firms to allow water to run on public streets, was adopted on motion of Councilman McCarthy.

The Greater South Redwood Improvement Club asked that the white strip painted on Woodside road be repainted. This will be done.

A letter from the city manager to the Veterans of Foreign Wars, replying to a question from the latter, said the hall at Mezes Plaza belongs to the city. The city suggests that the various organizations using the hall work out an agreement for its use mutually satisfactory to all concerned.

City Treasurer B. E. Myers was authorized to pay no interest on 1915 bonds after maturity date, on motion of Councilman Beeger.

Dr. Norris Cummings, head of the library board, asked the council to provide $500 in the library budget for the construction of a mezzanine floor in the library, which could be used for office purposes and which would help to relieve congestion.

SIX INJURED WHEN AUTO TIRE BLOWS

SAN MATEO, June 8.—Six San Francisco residents were injured on the Skyline boulevard near the Crystal Springs road yesterday afternoon when a tire blew out on their car. All were reported improving here today.

The passengers and their injuries were Mrs. Aimee Moore, 143 Chiltern road, broken collar bone, cuts and bruises; her daughter. Frances, 5, injuries to the head and legs; Bernice Nunes, 28, Ryan Hotel, fractured skull, cuts and bruises; Albert Jones, 29, 135A Thirteenth street, broken right arm, cuts and bruises, and Kenneth Bacon, 6, 2931 Sixteenth street, broken nose and fractured collar bone.

Thomas F. Wyman, 23, 130 Hartford street, driver of the car, suffered cuts and bruises.

Flaherty Will Filed In Co. Probate Court

David Wisnom and Charles Kirkbride, both of San Mateo, today filed the will of Dennis F. Flaherty, who died in San Mateo June 2, leaving an estate of $9861. A brother, Michael Flaherty, 306 South Claremont street, San Mateo, is left the San Mateo dwelling house of the deceased.

Unified County Road System Is Approved By American Legion

Because the present system of handling roads in San Mateo county is "antiquated, inefficient and costly to the taxpayer," the San Mateo County Council of the American Legion today went on record in favor of a unified road system.

The council, made up of eight posts and having a combined membership of 1,500, takes this action in a desire "to see the tax moneys expended in the most efficient manner possible." A resolution of the council urges the supervisors to "take whatever steps may be necessary to unify the road system and to place the same under the management of a skilled road engineer without delay."

Redwood City post with two delegates; Burlingame with three; San Bruno with one and South San Francisco with two, voted in favor of the unified road control plan. The posts voting against it were San Mateo with three delegates, and Menlo Park with one. Belmont and Daly City posts were absent.

In addition to the county council, the unified road plan has been endorsed by the Burlingame, Redwood City, South San Francisco and San Bruno posts individually.

In the passing of the resolution, the American Legion wishes to make public the statement that its action is not of a political nature, either for or against any present office holder or aspirant. "The American Legion," it is stated, "is 100 per cent for civic betterment, and it is felt that a system which has been in use since 1856 is not capable of meeting the present conditions with the utmost efficiency."

PERMIT ISSUED TO RENT BOATS AT R. C. HARBOR

After studying the proposal for a week, the Redwood City council last night voted to grant a permit to Hugh R. Israel to build a float at the municipal yacht harbor and conduct a boat rental business.

Mayor W. J. Dusel reported that Councilman Charles Hildebrant (who was absent) favored the proposition, subject to the supervision of the city engineer and council. The matter had been referred to Hildebrant at the last council session for investigation.

City Manager E. A. Rolison saw the project as one which would help to develop the waterfront, an opinion shared by Councilman Henry Beeger and others on the board.

Israel asked that he be given an exclusive permit, but this met with the opposition of Councilman McNulty. It was decided to grant the permit on a monthly basis, revocable at any time, and the council indicated that it would protect Israel's investment and business from unfair or unwise competition.

Israel will pay $6.50 a month to the city for the rental of a berth. The rental was not made higher because it was recognized that Israel's capital expenditures for the construction of a float with an area of 400 square feet would be between six and seven hundred dollars. He will rent speedboats and outboard motors, and sell rides. His partner will be F. E. Poelman.

On motion of Beeger, seconded by McNulty, the permit was issued.

DISCORDANT DOGS CAUSE $4000 SUIT

Greyhounds emit "loud, disagreeable, unusual and discordant" noises, Bernhart Mock, Old Country road farmer at Belmont, charged today in a $4,000 damage suit he filed against some keepers of a kennel adjoining his place.

Mock wants $3,000 because his hens have quit laying; because they break the eggs they do lay; because they have become sick and died, and because they kill their young when the eggs hatch

And for damage to his own nerves, the complainant wants $1,000 additional.

Norman S. Menifee, Redwood City attorney, filed the suit.

Defendants are Alta V. Wade, Alfred DeRoche, Rebecca DeRoche and C. McHugh.

Miners' Moratorium Granted by Congress

The Swing resolution providing a moratorium for thousands of mine owners and prospectors of California and the West passed the senate June 1 after it had previously passed the house. Adoption of this measure by congress means that hundreds of California miners and prospectors, who, because of the depression have been unable to perform the assessment work upon their claims, shall not be forced to forfeit these claims on July 1.

Representative Swing introduced the legislation at the request of hundreds of miners, mining engineers and old prospectors of California and the West.

"This bill will be a boon to many mining claimants," said Mr. Swing, "who were faced with the loss in many instances of all they possessed, after they had spent much time, labor and money keeping their claims in good standing up to the present year, but who, because of the depression were unable to find the means to do the required assessment work."

The mining committees of congress intentionally held back this legislation until late in the current year so as to make certain that all who had the means to do the work would do so in aid of the unemployment situation. Those whose assessment work remains undone, and who will be benefited by this legislation are mostly the ones who could not possibly do the work and whose claims would have been forfeited but for this congressional relief.

Mr. Swing will take a delegation of Western senators and representatives to the White House in the near future to urge upon the president the importance of his signing the resolution.

WALKS OFF OLD AGE

LONDON.—Once a year for the past 20, George Baker has walked 17 miles in one day. This yearly walk is made on his birthday, and this year marks his 90th. He recently challenged anyone in the country of the same age to walk with him.

15 Cent Cut In City Tax Rate Is Provided In Preliminary Budget

A preliminary budget, necessarily incomplete at this time, which was submitted by City Manager Rolison to the city council last night, would cut the 1932-33 tax rate 15 cents.

Before the budget is finally adopted this summer, the council will hold several meetings to take its details into consideration. Full publicity of all items is the policy to which the board committed itself last night, a policy which has the full support of the city manager.

To this end, the board set July 13 as a date upon which accredited representatives of the realty board, improvement clubs and other organizations will be invited to sit with the council and make known their ideas concerning the budget.

The city manager's preliminary report said, in part:

"In the estimating of revenues for the ensuing year it has been necessary to deal with many unknown quantities such as excessive tax delinquencies. In arriving at the possible cash on hand as of July 1, 1932, expenditures for the months of May and June have had to be estimated.

"However, a careful study has been made of the city's entire financial status in an effort to make reductions wherever possible and in my opinion the tabulations . . . represent the best information available at this time. I feel that it is safe to assume that the tax rate for the ensuing year can be reduced from a top rate of $1.30 as provided in the 1931-32 budget to $1.15 for the fiscal year ending June 30, 1933, provided a 10 cent rate is to be maintained for library purposes. In other words, exclusive of the library budget, which as yet has not been considered, I feel that a tax rate of $1.05 will be adequate for all other purposes.

"At a glance it would seem that in the event budget reductions as proposed, totaling a sum in excess of $40,000, are to be made, that a reduction in the tax rate in excess of 15 cents would be possible. However, many elements enter into the situation that must be considered. One of them is excessive tax delinquencies. In this regard your attention is called to the fact that, on a 4 per cent delinquency basis as set up in the present budget, revenues from taxation in the amount of $167,699.12 were anticipated. However, up to May 25 the sum of only $155,819.63 had actually been collected, which will reduce our cash balance as of July 1 the difference between these two figures or $11,879.49, providing no collections are made in the meantime.

"Also, the difference between a normal 4 per cent delinquency used in past practice for budget purposes and an anticipated 10 per cent delinquency in the present proposed budget . . . will reduce our possible revenues from taxation . . . some $10,000 for the coming annual period. To this must also be added approximately $2000 caused by the reduction in the valuation of Broadway and Main street property.

"Attention is also called to the fact that last year some unusual sources of revenue were made available, such as the transfer of $9,343.50 bond surplus to the general fund, together with the sum of $4,377.50 from the Southern Pacific Company. As we have no sources of revenue of a similar nature this year, it naturally follows that more money must be raised by taxation.

"Having in mind all of the conditions and circumstances enumerated, and appreciating the financial stress of the times owing to economic conditions, all departments have responded to the limit when asked to economize for the purpose of balancing the present budget and help reduce expenditures for the coming fiscal year.

"All departmental appropriations for the proposed 1932-33 budget have been reduced in excess of $38,000, and while this sum largely represents the elimination of capital expenditures, other substantial savings have been accomplished, such as the elimination of the employment of additional help during the vacation period, and the elimination of all other expenditures not vitally necessary for the proper maintenance of city equipment and facilities and the continuation of the usual standard of governmental service to which the public has been accustomed and which necessarily must be continued for the best interest of the city."

CONDITION OF AUTO VICTIM GRAVE; BOND PUT UP FOR DRIVER

The condition of John Shermantine, pioneer resident who was struck down here by an automobile Tuesday night, was reported yesterday as grave and he was given only an outside chance to live. He is at the Mills Memorial Hospital, San Mateo, and has not regained consciousness.

Shermantine has suffered a paralysis of the right leg and arm; a severe concussion of the brain and a possible skull fracture, and a compound comminuted fracture of both bones of the right lower leg.

Charles Beeson, the second injured man, was found to have suffered a brain concussion in addition to the comminuted fracture of both bones of the right lower leg. His condition, however, is satisfactory.

Drs. Harry Mason and Robert Monteith are caring for the injured.

Edward Cullen, 19, member of a prominent local family, who yesterday afternoon confessed that he drove the car which struck down the two men, was arraigned late yesterday before Police Judge Edward McAuliffe and was released on $5000 property bond.

Judge McAuliffe set June 13, next Monday, as the time for appearance for setting of the preliminary hearing.

Bob Alber, former local athlete, who was riding with Cullen, was questioned by Chief C. L. Collins and District Attorney Edmund Scott yesterday, but was released.

MISS DICKEY CARRYING ON FOR McSWEENEY

Miss Lorraine Dickey is now the acting tax collector of the county in the absence of Tax Collector McSweeney, who is making a trip to Europe. She will conduct the delinquent tax sale on June 27.

CREEK SPAN BIDS ARE DUE JUNE 20

June 20 at 11 o'clock has been set by the supervisors as the time for filing of bids by contractors for the building of the $15,000 reinforced concrete culvert across San Francisquito creek on the Middlefield road.

Bids must be filed before that hour with Elmore B. Hinman, clerk of the San Mateo County Board of Supervisors, and at the City Hall in Palo Alto with the city clerk. Duplicate bids will be required, as the contract will be let jointly by the county and city.

Santa Clara county will share in the cost, but will not participate in the call for bids or in the awarding of the contract.

Further details of the call for bids may be learned in a legal appearing elsewhere in today's Tribune.

PER CAPITA COST OF CO. GOV'T GROWING

Although the per capita cost of San Mateo county's government is $41.84, which is below the state average of $54.08, a recapitulation for all the counties in the state shows an increase in the past 10 years amounting 71.8 per cent.

The committee on governmental expenditure and taxation of the State Chamber of Commerce has issued a complete compilation of the disbursements of California counties classified by governmental functions for the year ended June 30, 1931, compared with the year ended June 30, 1920. The volume contains a statement of the expenditures of each of the 58 counties for the two years named, for the 10 major functions of county government, with a column showing the percentage of increase in the decade and with per capita comparison of the totals. The publication has been distributed throughout the state for use by taxpayers groups in the various counties in their task of devising ways and means of reducing county expenditures.

The Oregon board of health will issue permits for the operation of public swimming pools this year only where the water has been chlorinated or otherwise purified.

EUGENE O'SULLIVAN AUTO CRASH VICTIM

News was received today of the death of Eugene T. O'Sullivan, former Redwood City resident, who was killed in an automobile accident at Brawley. He is survived by his widow, Mrs. Daisy O'Sullivan.

Mr. O'Sullivan was the son of the late Mary G. O'Sullivan, and brother of Mrs. Grace Rapley of 719 Stambaugh street; Dr. George T. O'Sullivan of Bellingham, Wash.; James J. O'Sullivan of Oaland and Francis O'Sullivan of Erie, Pa. He was a nephew of Mrs. Peter Faber of Palo Alto.

The deceased was a veteran of the World War, having served with the 364th Infantry, 91st Division. Brawley post of the American Legion will conduct a military burial for the deceased.

Improvement Clubs To Meet, Lomita Park

An open forum for the San Mateo County Federation of Improvement Clubs and Associations will be held in the firehouse, 715 San Anselmo avenue, Lomita Park, on Wednesday, June 15, at 8:15. Peninsula transportation will be discussed, and travel pictures shown.

A regular meeting of the board of governors is due at the city hall, San Mateo, Wednesday, June 22, at 8:15.

ARCHITECTS OF CO. ORGANIZE SOCIETY

Following the organization of the San Mateo County District Society of the State Association of California Architects, which took place June 3 in Burlingame, the society is now planning to join the Building Industries Association of the county in the furtherance of better conditions in the building industry.

Membership of the architects' group includes all practicing architecture in or residing in San Mateo county.

The object is to advance the science of architecture; to insure efficient service and to enlighten the public in relation to the province of architecture and to co-operate with other professional associations and those interested in building construction.

Wallace A. Stephen has been elected to succeed E. L. Norberg as the county district advisor of the state association, and president of the county society. Both men live in Burlnigame.

LeRoy's Hits, Pitching Aid In Local Win

By EL THOMAS

Redwood City Eagles advanced a notch in the Peninsula Baseball League by defeating the Peerless Laundry nine of San Francisco by a score of 5 to 3 at Redwood City Sunday.

Leo LeRoy, pitching the full route for the Eagles, was credited with the victory and also carried off the batting honors of the day with a home run and a two-bagger out of four times at bat.

LeRoy's hitting carried the Eagles into a two-run lead that was saved by some fancy fielding centering around Ray Farrell, second baseman, in the ninth frame. Harris started it off with a single to right field, and Gene Miller's fast throw and Farrell's catch cut off the runner at second. Kravis walked but was nabbed at the plate on a perfect throw from Farrell to Capt. Ed Cullen. Miller speared Kane's fly for the final put-out.

Miller, who with LeRoy is recruited from the high school team, also hit two for four, including a double that scored Maloney in the first inning.

Maloney made his first appearance of the season with the Eagles at shortstop yesterday and handled seven chances without an error, figuring in a double play, Farrell to Maloney to Brook. The Farrell-Brook combination made another double killing in the fifth.

The box scores:

LIQUOR FOR EDUCATION

COLUMBUS, O. — A mother's efforts to put her boy through college got her into police court here and resulted in fines totaling $300. She is Mrs. Rose Stein, 37, found guilty of possessing and transporting liquor. It was explained by her attorney that she was selling liquor to put her son through Ohio State University, and that she had only turned to bootlegging after she had failed in several attempts to find a job.

Frank Griffin Speaks Before Sea Scouts

Frank Griffin gave an interesting talk about his trip through Alaska to the Sea Scouts Saturday evening at the Redwood City Sportsmen's Club. He told of the many thrills of sailing a 14-foot boat down the Yukon, of the final wreck and loss of supplies. The Sea Scouts were much interested in his experiences in the steerage of a ship on the return home.

"Griff" also spoke about the Sea Scouts of 1921 of Redwood City, of which he was skipper. He had several pictures of his old crew in action. Among them were Frank Towne, Brenton Werder, Frank McAuliffe, Arnold Torres, George Erskine and others.

Edward Williams presented a plan of handicapping which will be tried out in the next races.

The crew was given instruction in navigating by dead reckoning and was given a chance to get acquainted with the practical use of charts.

Brenton Werder and Max Leonard made a trip to Mare Island in the interest of the Sea Scouts and reported that favorable progress had been made and that a motor for the recentiy acquired motor sailer would soon be available. Leonard is the Sea Scout commissioner for Redwood City. Brenton Werder is the new mate.

George Erskine of the Kiwanis Club ship committee has been of great value in providing programs and speakers for the Sea Scout meetings.

The Sea Scout fleet of 15 small boats plans a cruise to Babylon in the near future and several races will be held during the summer.

New work uniforms were chosen, consisting of blue sweat shirts and blue jeans.

An attendance of 27 Sea Scouts was recorded at the meeting. Cake and orange juice was served as refreshments. Skipper John W. Rhoda was in charge.

McAULIFFE WILL HEAR LLOYD LAM HIT-RUN CHARGE

Preliminary hearing of Lloyd Lam, 25, Palo Alto plasterer, on three charges growing out of the death of Mrs. Mary Atilano at Menlo Park Saturday night, was set today by Justice of the Peace Edward McAuliffe for June 24 at 1 o'clock.

The case was transferred from Police Judge George Montell's court to that of Judge McAuliffe's. Lam is charged with manslaughter, hit-run driving and driving while intoxicated.

NIX ON NICKEL

TACOMA, Wash. — John Dawson is glad he wasn't carrying much money with him. He was parked with a girl friend when two bandits approached him and demanded his cash. Dawson dug into his pockets and handed it over. The bandits counted it and handed it back in disgust. It was a lone nickel.

SCHOOL TAX SHIFT NAMES ARE CHECKED AT CLERK'S OFFICE

Nearly a score of San Mateo county school teachers were busy at the county clerk's office in Redwood City today districting the signatures of county residents who wish to see the proposal to transfer the school burden from the county to the state placed as an initiative measure for submission to the electors at an early date.

The purpose is to verify the number of signers to see if they are duly registered citizens.

The measure would provide for a selective sales tax and a tax on individuals, estates and trusts. No less than $40 per elementary and no less than $70 per secondary school student would be the sums which the measure would force the state to raise. The measure provides that 75 per cent of the state moneys received for elementary schools, and 70 per cent of the moneys for secondary schools, would be applicable to teacher salaries, the balances of 25 and 30 per cent to be applied to maintenance.

A modern automobile highway over the Andes Mountains has been built by Venezuela. It is to connect with a similar road in Colombia that rises to an altitude of 14,100 feet.

AP'T OWNER IS LOSER IN SUIT OVER MONEY DUE

Judgment in favor of the G. W. Williams Co., Ltd., Burlingame, against Robert A. Klassen, owner of a series of bungalow court apartments in San Carlos, over moneys alleged due, was entered today by Superior Judge C. W. Miller, Stockton, presiding here, in favor of the Williams company.

It sued for $526.40 alleged due on the contract price for the $45,000 apartment project. Klassen sues on a cross complaint for $3867, alleging inferior workmanship, but Judge Miller instructed that he "take nothing" on his plea.

❖ Woodside ❖

The Woodside Gardeners' Association held its regular meeting at the school auditorium on Monday evening. The prize winners for the flowers exhibited were as follows: Delphinium, first, Kurt Schmidt; second, Victor Canavesi; third, James Wilkie. On larkspurs but one prize was awarded, that going to Oscar E. Blackington. Best vase of perennials, first, Victor Cavanesi; second, Kurt Schmidt. Two new members were taken in. At the close of the business meeting the hall was thrown open to the public who had a chance to view the exhibit of flowers and to listen to a talk by H. A. Hyde of Watsonville.

The Hyde Nurseries are just out of Watsonville on the road to Santa Cruz and specialize in tuberous begonias. The talk was illustrated with colored slides and both the talk and the pictures were much enjoyed by those present.

David Wright and family of Redwood City are planning to move to Woodside. They will take the Mighall cottage until recently occupied by Cledath Pace. Mr. Wright is accountant for Neuman Brothers.

Miss May Huddart entertained the Redwood City and the Woodside Girl Scouts with a picnic at her place on Saturday last. The Huddart place is particularly fitted for such form of entertainment, extending as it does to the top of the ridge with splendid redwood groves and traversed by trails in all directions.

Mr. and Mrs. Roy Bishop entertained a large company of horseback riders at breakfast on Sunday morning.

The Woodside Fire Commission at its meeting on Tuesday night elected John Volpiano as permanent chief of the department and Bernard Bernasque as assistant. Volpiano has been with the department as assistant chief for the past four years and in that time has become a seasoned veteran. The commission also passed a resolution commending Supervisor Poole for the work he is having done in the way of clearing the roadsides up the grade and through the town. Nearly a dozen fires last year originated in the grass along the grade alone and it was realized that this work of clearing materially lessened the fire hazard as well as giving employment to those in need of it The commission completed the purchase of 1400 feet of new fire hose thus carrying into effect the last suggestion of the Board of Underwriters for the betterment of the department.

Mrs. Stewart Elliott is visiting in Santa Barbara, following the graduation of her son, Peter Elliott, from the Ojai Valley School last week.

Mrs. Prentiss Cobb Hale, who has been for some time at her place at Shasta Springs, will spend this week-end at her home in Woodside.

The Bear Gulch Water Company has about completed the installation of its new 12-inch main from the lake to the junction of the lines running along the Mountain Home and the Summit roads. The line will be ready for the pressure test by the middle of next week.

Charles Byrne departed on Wednesday for Ceres City in Sierra county, where he will be engaged in hydraulic mining operations as long as the melting snows furnish an adequate water supply. He attempted to reach the mine two weeks ago but the snows blocked his way and he was forced to turn back.

Mr. and Mrs. Cecil Miller and family of Petaluma have been spending the week with Mrs. Miller's grandmother, Mrs. Rebecca Bogle.

The Woodside Trail Club opened its stables here for the season on Thursday at the Bernasque place. Not only is this a gathering place for members of the club, but the stables are in charge of a riding master and saddle horses may be rented and riding lessons had.

Leave Sunday For Two Weeks' Motor Trip

Mr. and Mrs. A. C. Argo and their children, Twila Mary, John, James and Jean; Mr. and Mrs. Ramon Dimick, their little daughter, Ruth Esther; Mr. and Mrs. S. S. Mayo, Carolyn and David Mayo, will leave Sunday for a motor trip along the Redwood highway. A number of stops make up a program of vacation for the following two weeks. With them will be Richard Chard and Mary Phyllis Seufert.

Mr. Argo, principal of Sequoia high school, who has been at Stanford University during the past quarter, will return to continue his work through the summer session.

TAX CUT

(Continued from Page One)

included for capital outlays. This is 17 per cent of the budget and required a tax rate of 36 cents, he said. Since the taxpayers are demanding that only necessities be provided for in 1932-33, Smith asked why the tax rate could be cut only half of this item.

"We are all taking a tremendous beating," he said, "and employes of the city must expect the same."

Hallinan, declaring that the property owners for 20 years were on a "drunken spending orgy," said that they had voted fixed expenditures over that period which now could not be touched. He said the local authorities controlled only 20 per cent so that the hope of relief is limited, but that a constant effort should be put forward to keep down expenses.

City, county and school costs must be reduced, Hallinan said, and this includes wages of city and county employes. He said, to cite the burden of the home owner, that there were 500 suits on file by which persons would lose their homes in Devonshire Hills, and another 800 on file against San Bruno homes.

He had been informed, he said, that the San Mateo high school building was large enough to take care of all the pupils in the Burlingame school, and asked why two such plants should be operated within a mile of each other if this is a fact. "But suggest closing down one of the schools and see what would happen up there," he said.

Fred H. Drake, San Carlos realty operator, said in the framing of the charter San Mateo county was taking a definite step toward lower governmental cost. He said there is a constant need of weeding out the frivolities and sentimentalities in government and that county and municipal affairs should be put on a strictly business basis.

Hallinan is to name an executive committee of five to organize for a study of county and municipal affairs. Another meeting of the property owners and officers will be held June 22.

Visiting Here En Route Home

Mr. Charles Rudkin, who has been with a son, Dr. R. L. Rudkin, in Tracy for several months, is visiting another son, the Rev. J. R. Rudkin and his family on Birch street. He will remain for a short time before returning to his home in Iowa.

MISDEMEANORS ARE ALLEGED AT DALY CITY

District Attorney Gives Opinion In Charge Against Officials

Finding that the acts of Daly City officials in selling supplies to the city did not constitute a felony, but came in the category of misdemeanors, District Attorney Edmund Scott reported Tuesday to the Daly City Voters' League that his office would not proceed against Mayor H. H. Smith or Treasurer A. L. Stockton.

The league, however, Scott said, is at liberty to seek misdemeanor warrants from either of the two justices of the peace, Edward Farrell or Ellis C. Johnson, of that district, should they wish to do so.

Scott said in questioning the complainants that they were agreed that neither Mayor Smith or Treasurer Stockton should be criminally prosecuted. The investigation of the district attorney, carried out by Richard O. Bell, assistant, disclosed no evidence that the city did not receive full value for its monies, nor were the charges excessive.

Purchases were made from Smith and Stockton because they operated the only two lumber and supply yards in the city, Purchasing Agent J. J. Kennedy declared. He said the council would have been criticised if the purchases were made out of town.

When the fact that they were violating the law was pointed out to them, both Smith and Stockton agreed to desist in the future from selling supplies to the city, Scott said.

Smith was a political enemy of the league and because of this fact Scott delayed the investigation until after the council election there, which resulted in a recount and success for one of the league's candidates.

SECOND ACTION FILED TO BREAK SUICIDE'S WILL

A second contest of the will of Christian Hashagen, aged San Carlos resident, who killed himself with a revolver Nov. 23, 1931, was filed with County Clerk Elmore B. Hinman today.

It was brought by his son, C. C. Hashagen, who was cut off with $5. The first contest, filed May 13, was brought by the dead man's daughter, Mrs. Bertha Olmo of San Francisco, also cut off with $5.

Like the first contest, J. M. Hashagen, another son, is charged with using undue influence over their father. The estate is worth more than $10,000.

According to Dr. W. J. Humphreys, of the U. S. Weather Bureau, there are about 4,000,000 cubic miles of ice on Greenland, the Antarctic continent, and Iceland.

BURLINGAME J. P. NEED NOT RUN IN COMING ELECTION

Gus B. Risso, Burlingame justice of the peace, will not need to submit his name to the voters in the August 30 primary, District Attorney Edmund Scott declared today.

Risso had already filed his declaration of intention to run for the office to which he was appointed earlier this year by the board of supervisors. Scott said the law provides that an appointed justice shall run at the next "regular" election to be held throughout the county for that office, which will be in 1934.

On other appointments, such as superior judge, the appointee must submit his name to the electorate at the next regular election to be held, such as Superior Judge Franklin Swart is doing.

L. A. Cavalier, Burlingame constable, also needs not run until 1934, Scott said.

BANDIT SHOT IN S. F. FORMERLY RESIDED HERE

Ben Mauer (or Moore), alleged bandit slain in San Francisco by police early today while being used as a shield by his confederate, lived in Redwood City for about four months in the latter part of 1930.

This was learned today by Officers S. E. Douglass and Henry Mengel when they went to 424 East Brewster avenue, one of the addresses found on Mauer. He lived here with his wife, but they quarreled frequently and broke up 18 months ago, their landlady told police.

Mauer lived here under the name of Moore and was a tilesetter.

Airplane Collision Results In Lawsuit

Crash of two planes in mid-air over Mills Field, which brought injury to Miss Afton R. Lewis, 24, San Francisco aviatrix, today resulted in the filing of a $2000 damage suit in San Francisco superior court. It is the first suit of its kind, Frank A. Flynn, former Mills Field chief, and San Francisco lawyer, who is representing Miss Lewis, declares.

Paul San Martino, pilot of the other plane, is the defendant. The accident occurred April 10. Miss Lewis kept control of her plane to within about 50 feet of the ground, when she crashed. She suffered concussion of the brain and bruises.

Miss Garcelon Has Vacation

Miss Doris Garcelon of the public library staff is having her vacation. She will be gone for two weeks, and will spend a part of the time in the northern part of the state visiting friends.

NELSON WILL SET ASIDE BY VOTE OF JURY

Housekeeper Swayed Employer, Jury Determines

The will of John L. Nelson, 77, retired hotel man, who died in Burlingame January 4, was set aside by a jury in Superior Judge George H. Buck's court yesterday on the finding that he was under the influence of his young housekeeper, Mrs. Myrtle L. Snyfeld, of Burlingame. Nelson's will was written September 29, 1931.

Nelson's will cut off four relatives with $1 each, leaving an estate of approximately $10,600 to the housekeeper.

The jury did not find that Nelson was of unsound mind as his kin had asserted in their contest, but it laid the fact that Nelson left his estate to Mrs. Snyfeld to the latter's influence over him.

Charles Nelson, brother of the deceased, and Arthur Nelson, a nephew, brought the contest. The will had provided that any person who contested the document or claimed to be an heir should be given $5.

Relatives cut off with $1 each were Edgar Nelson, nephew; Walter and Jennie Nelson, grandnephews, and Mrs. Agnes Leigh, whose relationship is not stated but is presumed to be that of niece.

SISTER OF LOCAL PUBLISHER DEAD

Mrs. Helen Foster, 34, sister of Sam Winklebleck, publisher of the Redwood City Tribune, died suddenly yesterday at Salinas. She had been ill for only two days.

Also surviving her are her husband, Worth Foster; two daughters, Barry Lee and Joan Foster; her parents, Mr. and Mrs. Levi Winklebleck of Waterford, and two sisters, Mrs. Roy Garvey of Fresno and Mrs. P. A. Havelick of Indianapolis.

$25,000 RESIDENCE PERMIT IS ISSUED

ATHERTON, June 9.—A building permit was issued here today to Newton Bissinger for $25,000 to construct a home on an estate he recently purchased on Park lane near Valparaiso avenue. The new house will replace the old Herrscher home, which has been razed.

S. F. Hogs Removed To Location At Colma

As a result of health department activities in San Francisco, the American Hog Company has moved most of its hogs to Colma. Similarly, the San Francisco Hog Co. is moving its hogs across the line. Other companies are making similar movements.

A regular airline service between Berlin and Shanghai is contemplated by a German company.

LARGE GRASS FIRE

SAN MATEO, June 8.—Fire threatened two airplane hangars and a large field of hay here yesterday afternoon and burned over eight and one-half acres of stubble before being put out by the San Mateo Fire Department.

BANK OF AMERICA TRANSLATES WORDS INTO ACTION

LOANS for construction of SMALL HOMES

As its part in the statewide effort to help bring back good times, Bank of America is making loans for the construction of small homes. Such loans to be repaid by installment payments . . . Bank of America offers this cooperation in support of the program of the United States Government and the Reconstruction Finance Corporation, to put dollars to work. Again this institution demonstrates its faith in California . . . ★ MORE THAN 210,000 CALIFORNIA WOMEN SAY *"The Cleanliness of Electric Cooking will keep your new kitchen* NEW!"

These Newlyweds figured it out this way.....Electric Cooking will be just as up-to-date 5 or 10 years from now as it is today

Young people who are happily establishing households this month of the June Bride, plan ahead. They want to be in step with the times—now and forever. That is why an automatic electric range is the logical choice of modern brides.

Kitchens colorful with bright newness stay new for years because of the clean heat of electric cooking. Modern electric ranges, too, have style and beauty in their gleaming porcelain finish offered this year in a wider range of colors than ever before. And every part of these superior electric ranges is rustproofed, better built—truly an investment modern now—modern ten years or more from now.

In operation electric ranges offer outstanding superiorities for household cooking. They are quiet, clean, cooly efficient, for all the heat of surface coils or oven units is concentrated on the one job of cooking food. And an electric range makes a good cook, The Perfect Cook—because Time and Temperature Control assures time-after-time uniformity in cooking results.

New homes, new households by the thousands each year are having electric ranges installed. It is the trend of these modern times—to cook electrically.

See the beautiful electric ranges on display in our office or your electric dealer's store. They cost no more than any other range of like quality and NOW a Special Offer is in effect which includes exceptionally easy terms.

Menlo Park

The Little Children's Aid Society of San Francisco opened its home in Stanford Park yesterday. Twenty children have arrived to spend a short vacation. They will be succeeded by others during the summer until a vast number will have spent some time in the country. Mrs. Bernard Breeden is the supervisor of the society and gives the institution much of her time caring for the children.

Mrs. Warren Spieker, with her children, left during the week for Honolulu to pass the summer. Mrs. Spieker for a number of years has spent her summers in Menlo Park.

On Thursday evening, June 16, in the Central School auditorium, Menlo Park, the Menlo Native Daughters will give a card party. Games start at 8:30. Admission will be 25 cents.

Thirteen students, who had completed their theological studies at St. Patrick's Seminary, were ordained at St. Mary's Cathedral by the Most Reverend John J. Mitty last Saturday. Nine of those ordained are for the Archdiocese of San Francisco. Amancio Rodriquez and Silvano Baquedano were ordained for the Monterey-Fresno diocese and Paul J. Degnan and Henry A. Markham for the diocese of Sacramento. Those ordained for the San Francisco diocese were Rev. Edward R. Allen, Rev. Eugene Shea, Rev. Maurice Hannigan, Rev. William O'Connor, Rev. Raymond Daly, Rev. Edwin Kennedy, Rev. D. J. Mullen, Rev. James T. O'Dowd, Rev. Alvin P. Wagner. All the young clergymen are widely known in Menlo Park, having spent six years at the seminary. They have the best wishes for success in their sacred calling by the people of Menlo Park.

Miss Cecelia Carleton and her two sisters, Edith and Grace Carleton, will depart today for their vacation to be spent in Alaska, the Land of the Midnight Sun. The young ladies will be gone for three weeks.

The Menlo Junior College closed for the summer vacation yesterday. There was a large list of graduates, many fro m far off lands.

The unemployment committee met Tuesday evening to reorganize and prepare for the winter, when many men will be out of employment. Judge Hoss, the able and hard-working president resigned and Mayor Weeden was selected to take over the work. A. H. Tupper was re-elected secretary. All those seeking employment are requested to re-register at once.

Last Monday all the mayors of the peninsula including Mayor W. H. Weeden of Menlo Park, made a tour of the peninsula and Santa Clara valley in the big ship Akron. The officials were invited by the commander in charge. They took off at Sunnyvale, sailing through the air at a slow rate of speed over the fertile valley below for four hours. Herbert Fleishhacker of Atherton was also in the party.

A going home party was given Wednesday evening by Miss Carmel O'Keefe to several of her girl friends attending the San Francisco College for Women. The guests were Miss Ruth Rugard, Walnut Grove; Miss Frances Woldson, Spokane; and Miss Evelyn Marion, Canada. The young ladies left late that evening for their respective homes. The college will reopen on August 23.

Owing to the death of Mrs. Mary Antilano who was run over by an automobile driven by Lloyd Lam of Palo Alto last Saturday night while she was crossing the highway from the Menlo Theatre, Chief Love has given orders to his deputies that all traffic regulations are to be enforced to the letter. The speed limit of 20 miles an hour through town is to be observed. Anyone violating this regulation will be arrested. Many arrests have already been made under the new edict.

Last Wednesday was a big event in the career of Father Thomas Kennedy, pastor of the Church of the Nativity for the past eight years. On that day just 25 years ago he was ordained a priest at the Rochester University by Archbishop McQuaide. During the closing years of his course he was taught by Prof. E. J. Hanna, now archbishop of the diocese, and a close friendship has existed between the two since that time.

The silver jubilee of Father Kennedy was observed by his parishioners beginning Wednesday morning when a jubilee mass was celebrated by the jubilarian attended by a large congregation. After the services Father Kennedy was presented by the parochial children with a huge bouquet. That evening at the Palace Hotel, San Francisco, he was given a dinner by the priests of the diocese at which numerous kind words were said in behalf of the popular clergyman.

The crowning feature of the celebration took place last evening in the Hall of the Nativity where a reception and banquet was given Father Kennedy. During the course of the banquet Mrs. James T. O'Keefe arose and in a short but nicely phrased address presented Father Kennedy on behalf of the parishioners a valuable silver chalice. Mrs. O'Keefe recounted the good work of the priest since his ordination in Rochester, June 8, 1907. Father Kennedy responded most graciously, thanking the people for their gift and the nice words of felicitation spoken.

Father Burke, master of ceremonies, then introduced the evening's program. Mrs. Mansuetta, the chorist, sang beautifully. Edward O'Keefe was applauded for his tap dancing. The duet by the Bracesco sisters brought forth a burst of applause. Mrs. David Tuttle sweetly sang songs that reached the heart. Mrs. Dan Sullivan's recitations were appreciated by hand clapping.

The tables were placed in a U shape about the hall, the performers using the space in the middle. The decorations were white and silver, giving a silvery effect to the scene.

On the walls were displayed in silver colors the figures 25, surrounded by evergreens, making a pleasing and colorful effect. About 250 parishioners were present to do honor to the popular pastor, who beamed with appreciation in the homage paid him.

Father Kennedy was born in San Francisco and after completing his college course at St. Mary's College, departed for the seminary at Rochester.

Returning after his ordination Father Kennedy spent some years of his career in Oakland as an assistant priest.

A similar celebration took place in Menlo Park when the late Father O'Riordan observed his silver jubilee on June 24, 1898.

Father O'Riordan came to Menlo Park in 1879 and remained until 1899 when he became pastor of the church at Berkeley.

The campus of the College and Convent of the Sacret Heart was the scene of activity Wednesday. Every nook and corner of the grounds was permeated with a radiant glow of enthusiasm and happiness, for it was graduation day for the girls of the school and the young women of the San Francisco College for Women.

The exercises were held under the wide spreading oaks and a wonderful setting it was for the auspicious occasion, so thoroughly enjoyed by the parents of the graduates and others. The girls robed in white and the young women receiving their degrees robed in dark gowns and caps, lent a charm to the whole scene.

On the improvised platform sat Archbishop J. J. Mitty, Monsignor J. M. Gleason, A. M. Espinosa, PhD., and a number of the priests of the diocese.

The address of welcome delivered by one of the graduates, Miss Mary Doris Casassa, was a masterpiece Her poise and delivery was the admiration of the throng.

Monsignor Gleason was the orator of the day. His address to the young ladies receiving their degrees was listened to intently. The widely known speaker made some telling hits regarding present day events. His subject, "Tools of Thought," was masterfully handled.

Prof. A. M. Espinosa's address was brief put pithy with sound logic and splendid thought.

Archbishop Mitty gave a short speech congratulating the young women about to begin their career in the world.

The musical portion of the program was well rendered.

Among the 14 graduates were Mrs. Bernard Breeden, well known in Menlo Park, who took the prescribed course at the college, as did Mrs. William G. Drum and Mrs. Oliver Kehrlein, also a native of Menlo Park.

Those graduating from the San Francisco College of Women were as follows: Mrs. Bernard Breeden, Mrs. William G. Drum, Mrs. Oliver Kehrlein, Miss Rosemary Therese de Benedetti, Miss Mary Doris Casassa, Miss Refugio Gaxiola, Miss Harriet Catherine Herzer, Miss Mary Joseph Kincaid, Miss Ethel Ada Kohnke, Miss Marian Gertrude Larkins, Miss Jane Margaret O'Gara, Miss Margaret Elizabeth Redman, Miss Gabrielle Springer and Miss Florence Margaret Sherry.

This will be the last time commencement exercises for the degrees for the San Francisco College for Women will take place in Menlo Park, for next year the new college is to be completed and a large campus established. The graduates have been coming to Menlo Park for the past two years.

In the afternoon the exercises for those graduating from the high school of the College and Convent of the Sacred Heart were had. They were highly appropriate and attended by a large number of friends of the school.

Those receiving diplomas were: Miss Betty O'Brien, Miss Madeleine Hulsman, Miss Marie Louise Alton, Miss Geraldine Butler, Miss Jean Fay, Miss Helen Smith, Miss Kathleen Regan, Miss Susanne Labourdette, Miss Mary Campbell, Miss Marjory McDermott, Miss Blanche Marion, Miss Betty Conroy, Miss Juanita Neihoff and Miss Jacqueline Aillet.

Last Thursday night the city council met and after some discussion settled the much-disputed paving problem in Paraiso Park. Protests of the Paraiso Park Property Owners' Association to the assessment were overruled; the paving job was accepted, and the assessment was approved.

This action, taken by the three members of the council present last night at an adjourned hearing on the assessment, officially closed the proceedings as far as they may come before the council. J. J. Harcom, one of the leaders of the Paraiso Park group of protestants, however, indicated in the course of his remarks before the council last night that the legality of the assessment and certain items in the contract might be taken to court.

Paraiso Park property owners present at last night's meeting declared themselves satisfied that Clyde W. Wood, the contractor, would complete certain repair jobs in accordance with an agreement with them, but made much of the inclusion of the laying of water pipes to the property line in the contract and the omission of certain sidewalks that had been provided for in the contract.

Newton Rutherford, attorney for the contractor, explained that these two latter matters were questions of law only and could not be determined by the council. City Attorney George K. Whitworth also declared that he had given his opinion repeatedly on their legality.

Harcom, however, asserted that the water company would put in the water pipes free. In reference to the plans and specifications he asked how anything in the plans and specification could be left out. It was declared by Whitworth and Rutherford that the sidewalks in various places had been left out at the property owners' request.

Efforts were made by Harcom to have the assessment hearing postponed again until the completion of the extra jobs being done by Wood, the contractor. But City Engineer Bert J. Mehl reported that as far as the contract was concerned the job was finished, and the hearing was ordered closed, although Harcom again tried to block such action on the ground that Councilmen E. H. Hart and A. H. Anderson were absent.

The protest of K. V. Laird was withdrawn upon the agreement of the contractor to refill a "borrow pit" on the Laird property.

Salary cuts in the police department were ordered by the council. The salary of Police Chief Frank Love was reduced from $200 to $180 a month, and that of Police Officer Thomas Kearney was reduced from $150 to $135 a month. Pay of the relief officer, C. L. Dyer, was set at $5 a day for the days on which he is on duty.

A jamboree picnic and a carnival week are two events which are being planned for early dates by Menlo Park, Post 443, American Legion. The dates have not been chosen.

Organization of the Menlo Park Veterans' Club is in progress, having for its object the promotion of efficiency in the city government.

Road improvements on El Camino a los Cerros are to be made by Supervisor John W. Pople as a result of requests from citizens.

Complaint has been made by a number of Menlo Park citizens over the closing of the post office at 8 p.m. Box renters contend that they should have access to their boxes at any time.

MENLO PARK, June 8. — Fire Chief Thomas Cuff and Mrs. Cuff were honored on their tenth wedding anniversary Monday night with a surprise "tin wedding" celebration at the Menlo Park Fire House. About 30 members of the fire department were present.

CO. C. C. WILL BE MAINTAINED, BOARD DECIDES

Co. Board Unanimous In Vote To Continue Publicity Body

By unanimous vote and with commendatory remarks from the majority of members, the board of supervisors this noon voted to retain the San Mateo County Chamber of Commerce.

At the same time, Roscoe D. Wyatt, manager of the chamber, was re-appointed on recommendation of the board of directors of the chamber, with Fred H. Drake of San Carlos, president of the body, presenting the matter to the supervisors.

Budget Pared

President Drake reported that the county chamber has pared the budget to include only items of absolute necessity. Among the reductions was a $100 per month salary cut for Secretary Wyatt, who will hereafter receive but $300 per month. Out of this salary, must come Mr. Wyatt's personal and office expenses.

$6000 Balance On Hand

The budget this year will be $10,215, and a balance of $6000 is on hand from last year's budget, so that only $4215 in new money will be needed. Drake said this would be less than a cent on the tax rate.

On motion of Supervisor Rosalie Brown, seconded by Supervisor T. L. Hickey, the board adopted a resolution continuing the chamber's appropriations.

HALLINAN LOSES REDWOOD CITY DAMAGE ACTION

Vincent W. Hallinan, counsel for Frank J. Agan, ousted public defender of San Francisco, did not show in court Monday when the damage suit he filed against Barbara Stivers, 1116 Cortez avenue, Burlingame, was heard before Superior Judge Franklin Swart. Joseph J. Bullock, local attorney, acted in his stead.

A jury, hearing the evidence, refused damages to Hallinan's client, Norvell Gillespie, 18, of 127 Winding street, San Francisco, or to Mrs. Stivers on her cross-complaint. Each had asked $5,000 as the result of a Burlingame automobile collision, which occurred April 17, 1931.

WHITEHEAD PUTS NAME ON FILE FOR ASSEMBLY

Attorney George S. Whitehead, Burlingame resident and local attorney, today filed his declaration of candidacy for the office of assemblyman of San Mateo county. He filed for both the Republican and Democratic nominations.

Whitehead aspires to the office vacated by Harry L. Parkman of San Mateo, who will run for the upper house of the state legislature.

Among local sponsors of Whitehead are Henry Witte, Ethel M. Scott, Frank W. Thompson, Harry Potts, J. S. Heath, Charles R. Curran, K. W. Van Gundy and Charles H. Ely.

BELMONT NURSE, HURT IN CRASH, ASKS $27,177

Asserting she suffers from visual and auditory hallucinations as the result of injuries incurred in an automobile collision, Miss Mildred Irene Ferguson, Belmont nurse, today filed a $27,177 damage suit in San Francisco.

She sues Mr. and Mrs. Joseph Steiner and Mr. and Mrs. William Rinsch, stating that as nurse to Mrs. Steiner she accompanied her on an automobile drive. Steiner, she asserts, drove his car into the Rinsch car in Ralston boulevard, Belmont, October 25.

Notre Dame College Graduation June 14

BELMONT, June 7.—Graduation honors will be conferred at the College of Notre Dame, Belmont, by The Most Reverend John J. Mitty, D.D., Tuesday morning, June 14, at 10 o'clock. The ceremonies will take place on the Notre Dame campus.

OVERALLS ARE NEST

PINE PLAINS, N. Y.—Last year William Snyder hung a pair of overalls out on a line and two wrens settled in the pockets and made nests. He left the overalls out all summer. A few days ago he noted wrens again hovering about and hurriedly put another pair of overalls on the line. The wrens again took up their abode in the pockets.

MAYOR THRILLED BY RIDE ON U.S.S. AKRON

A three hour cruise on board the huge Akron, pride of the navy's lighter-than-air service, was a treat enjoyed by Mayor William J. Dusel and about 50 other dignitaries of the peninsula yesterday afternoon.

The guests were divided into groups of 10 each and placed at various points on board, so as to equalize the load. After the ship was aloft, groups of four were taken to places of interest in the craft. Mayor Dusel had provided himself with a pair of tennis shoes, so that he was able to climb about from "stem to stern," by means of "catwalks" and spider-web stairways.

Coffee, tea, sandwiches and fruit were served in the "dining room," which was about 8 by 10 feet in size, and which was provided with aluminum utensils, light in weight.

There was a smoking room, too.

Not the least of the thrills was the launching and retrieving of the tiny airplanes which are carried within the airship.

It was the local mayor's first trip in the air, and he was enthusiastic over the view as the Akron soared over the peninsula cities and out over the Golden Gate. It returned to the mast at 7 o'clock last evening.

O'MALLEY WILL OPPOSE PARKMAN

Bridge Club In San Carlos Has Birthday Party

SAN CARLOS, June 9.—A group of young women of St. Charles' parish, who make up a bridge club, celebrated their third anniversary Thursday evening at the home of Miss Vera Boyd.

Among the guests were Mrs. Joseph Nash, Mrs. Joseph Foley, Mrs. Robert Glynn, Mrs. Walter J. Hennessy, Mrs. Ralph Brennan, Mrs. George Merrill, Mrs. Jesse Davis, Mrs. J. Smith, Mrs. R. Dolan, Miss Greta Rigney, Miss Cecilia McCue, Miss Kay McCue, Miss Ruth Houghton and Miss Celeste McCarthy. The hostess served supper. Miss C. McCue and Miss R. Houghton were the holders of high score.

Thirty-two girls of the Glee Club of San Carlos were heard over station KQW at San Jose Saturday afternoon in a group of four songs. Mrs. Eldora McCarty accompanied at the piano.

Mr. Henry F. Wrigley Sr., who attended the funeral of his father, the late George E. Wrigley, in Eureka last week, returned Sunday.

Miss Lois Walters, daughter of Mr. and Mrs. Lawrence Walters, who is among the graduates of the San Carlos school this year, was the week-end guest of Mr. and Mrs. A. E. Benson in San Francisco.

Forty children of the sixth and seventh grades with their mothers enjoyed a picnic at Alum Rock in San Jose Saturday afternoon. Mrs. Eldora McCarty planned the outing.

Mr. and Mrs. Charles Gorse, whose daughter, Miss Sadie Margaret Gorse, was graduated from Sequoia high school Friday evening, held open house following the exercises. In the group were Mr. and Mrs. H. Dufils, Mr. and Mrs. Albert Gorse, Mrs. Eugenia Gorse and Mr. and Mrs. F. Doussart.

With the salute to the flag led by Mrs. A. P. Castagnino, followed by the Collect, the regular business meeting of the San Carlos Parent-Teacher Association was held Tuesday afternoon with Mrs. Sterling Price presiding.

Mrs. Edward R. Burton, music chairman, reported that a sum of $54.50 was cleared from the evening of music held several weeks ago, and $12 of the sum was to be used in giving a party to the members of the school orchestra.

Billy Jacobi and Robert White, out of 25 children, were found to be 100 per cent perfect at the recent roundup, according to the report of Mrs. Harry W. Mahany, chairman. She asked members to leave clothing at her home on Walnut street for the philanthropy department. Shoes are particularly needed.

Mrs. J. R. Spann, outgoing president of 17th district, installed Mrs. Sterling Price, who succeeds herself as president; Mrs. Edward R. Burton, first vice-president; Mrs. Anita M. Kunze, second vice-president; Mrs. Ethel M. Price, recording secretary; Mrs. Nell Huntley, corresponding secretary; Mrs. Hiram B. Cook Jr., financial secretary; Mrs. A. R. Stephens, treasurer; Mrs. John J. Sheehan, historian; Mr. Byron W. Case, auditor.

Mrs. Spann gave a short talk on the activities of the district. Mrs. Price thanked the members and chairmen for their co-operation during the past season.

The Girls' Glee Club sang four selections with Mrs. Eldora McCarty at the piano. During the social hour tea was poured by Mrs. Mahany and Mrs. J. B. Bryan.

Mr. and Mrs. Herbert E. Clayburgh of White Oaks were hosts at a grill party and dance at their home Sunday. The guest list included eighty friends of the east bay region and the peninsula. On Sunday morning Mrs. Clayburgh was among the guests at the home of Mr. and Mrs. Roy N. Bishop of Woodside at a breakfast.

Kenneth Lucas will be host Saturday evening to a group of San Carlos school children.

Mr. and Mrs. Raymond Isaac of San Francisco were guests of Mr Harry Gee Friday evening for the graduation exercises at Sequoia high school. Miss Nellie Gee, his daughter, was one of the graduates.

Mrs. Stella Davis accompanied by Miss Mary Elizabeth Davis and Miss Juliette Bauer of Burlingame will leave by motor next week for Paso Robles, where they will be the guests of Mr. and Mrs. C. A. Nidever.

Mr. and Mrs. Lewis P. Hopkins spent the week-end at Yosemite valley.

Entertaining at dinner Sunday, Mr. and Mrs. Edward R. Burton were hosts to Mr. and Mrs. Harry Burton, Mr. and Mrs. Harry McChesney, Ida Mae and Burton McChesney, Mr. and Mrs. West Perez, Mr. and Mrs. Clarence Peterson, Mrs. Mary Burton, Miss Lillian Burton and Ernest DeBendetti.

Mr. Bernard Lovejoy is in Reno on a combined business and pleasure trip.

Mr. and Mrs. John J. Sheehan were hosts to relatives and friends at dinner Friday evening preceding the graduation of their daughter, Betty, from the Sequoia high school. In the group were Mr and Mrs. Walter Sheehan, Miss Ruth Hegarty of San Francisco and Mr. and Mrs. Frederick Lundstrom of Ross.

Card Party For Veterans To Be Thursday, June 16

The monthly card party sponsored by the hospital committee of Gen. George S. Evans Relief Corps for veterans at the government hospital near Menlo Park will be given Thursday evening, June 16, at 7:30 o'clock. Mrs. Mary Winter, chairman, is directing arrangements, including transportation for those without automobiles. With the number of women players depleted by summer vacations, Mrs. Winter urges not only members of the corps, but all women interested in assisting with this form of entertainment for the veterans, to attend.

Have Picnic At Kendall Dell

A family picnic at Kendall Dell was enjoyed Tuesday by Mr. and Mrs. Sanford B. Dole. With them were their children, Betty, and Sanford Jr., Mrs. Dole's sister, Miss Rose Kelley, Mrs. George Hopkins and Miss Marion Hosmer. Miss Hosmer departed for Glendale yesterday for her vacation.

Girl Scout Day Camp Opens Here Monday Morning

Monday will witness the opening of the first day camp for Girl Scouts in Redwood City when the Sequoia high school grounds are to be transformed into a miniature Camp Chaparral.

The camp, under the direct supervision of the local scout director, Miss Ruth Jaynes, will be open daily for six days from 9 until 4 o'clock.

The cost for each girl attending will be 10 cents per day fee, and the cost of handicraft material, not over a total of 25 cents. Each girl takes her own luncheon.

The regulation outfit for each is a green camp suit, or gymnasium suit, or wash dress. No jeans, sailor pants, boys' clothes, or pajamas will be allowed. Also, scouts taking swimming should supply themselves with swimming suits.

The program will consist of the things that are done at the summer camps.

The camp will be organized into as many troops as the enrollment makes necessary. Not more than 30 girls are to be in one troop and there will be a leader for each eight scouts. National Girl Scout standards will be maintained. An American Red Cross examiner (over 21) will be in charge of the swimming pool at all times and she is to be assisted by senior lifeguards (over 18).

Nature study handicraft will have a place in the program of activities and will include spatter printing, ink printing and blue prints of constellations.

Tentative plans are made for one evening at the camp for "star-gazing."

Barbara Moore Gives Dancing Party And Supper
